

The Solicitors' Journal

INTERIM INDEX AND LIST OF CASES REPORTED VOLUME 101 JANUARY to JUNE, 1957

The Law and The Letter

When an old established firm of solicitors makes a move, the present owners often find a pile of correspondence that has been accumulated for over a century and is now completely valueless to their business.

The solicitor is loath to destroy such correspondence for three reasons.

Firstly, if he had time to look through it, he *might* find a document of some legal value.

Secondly, if he is a good business man, he knows that he may be destroying something of historical or literary value.

Thirdly (and he may not know this fact), over half the old postage stamps that have been found during this century and for which substantial sums have been paid by collectors, have been found in the dusty archives of the solicitor's office.

There is only one course of action that is open to him and which will solve his problem and there is only one firm that can give him the appropriate service.

He can write or phone Robson Lowe Ltd., of 50 Pall Mall, London, S.W.1, who have the skilled staff trained to divide his records into—

- (1) *documents that should be kept by him*
- (2) *confidential documents that should be destroyed*
- (3) *letters and documents of literary and historical value (both national and local)*
- (4) *letters and envelopes bearing handstruck (1661-1890) and adhesive stamps of value*
- (5) *the balance that is suitable for a waste-paper merchant*

There is no fee for a consultation.

If the archives have been untouched for over a hundred years, more often than not there is a substantial sum to be found from the proper disposal of the third and fourth sections described above.

The telephone number is TRAfalgar 4034.

THE ROYAL NAVAL LAY READERS' SOCIETY

provides carefully selected laymen of the Anglican Church (usually ex-Servicemen) to work under the Chaplains in Naval and Marine Barracks, Naval Air Stations, Naval Hospitals, Dockyards and Training Establishments, where they make friends with and help men in the Royal Navy and Royal Marines to understand the Christian way of life.

The continuance of this work depends upon voluntary subscriptions, legacies and bequests, the majority of which now come from the Navy itself.

Further particulars will be gladly provided by:—

The Organising Secretary,

HISTORIC CHURCHES PRESERVATION TRUST

Patron: HER MAJESTY THE QUEEN

President: H.R.H. THE PRINCE PHILIP, DUKE OF EDINBURGH

Chairman: THE LORD ARCHBISHOP OF CANTERBURY

Over 2,000 ancient churches are in urgent need of repair. The years of war and post-war conditions in which normal repairs could not be undertaken have converted a problem into a crisis. A Church Assembly Commission has estimated that **£4,000,000** must be found within ten years to supplement what the parishes can do themselves.

The Trust has been created to save England's unique heritage of ancient and beautiful churches from falling into decay and ruin.

LEGACIES, DONATIONS AND SUBSCRIPTIONS

will be gratefully received by the Secretary

Historic Churches Preservation Trust, Fulham Palace, London, S.W.6

Objects of the Trust: The objects of the Trust are declared in the trust deed by which the trust was set up in 1952 to be: the preservation, repair, maintenance, improvement, upkeep, beautification and reconstruction of churches in the U.K. (which for this purpose includes the Isle of Man and the Channel Islands) and of monuments, fittings, fixtures, stained glass, furniture, ornaments and chattels in such churches, and of the churchyard belonging to such churches. "Churches" is defined for this purpose by the trust deed as meaning any Church (including a Cathedral, Abbey, Minster or Priory Church), Chapel or other building used for public worship for the time being, whether belonging to or used by the Church of England or any other body.

YOUR HELP IS NEEDED

For Orphans of Merchant Seamen

Since its foundation in 1827, several thousand orphans of Merchant Seamen have been cared for, educated, and set up in life; and there are now nearly 300 boys and girls at the school, many of whom lost their fathers during the late war.

The assured income does not meet the expenditure. New subscribers are urgently needed to bridge the gap. Please show your appreciation of our Merchant Seamen by sending donations or subscriptions to the SECRETARY, THE ROYAL MERCHANT NAVY SCHOOL, 28 St. Mary Axe, London, E.C.3.
